MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM : John F. Blake
Deputy Director for Administration
SUBJECT : Proposed Reassignment of Officers
Assigned to the DCI Security Staff

1. As you know, under planning already approved, the Deputy to the DCI for the Intelligence Community will have a Security Group assigned to provide the complete range of security services including personal security for Admiral Murphy. To date, tentative staffing provides for a GS-14 and two GS-12 employees.

2. The Office of Security, after a review of all their employees, has suggested [REDACTED] GS-13, currently serving as Deputy Chief of the DCI Security Staff, for the new GS-14 top position on the IC Staff Security Group. By virtue of his previous experience and demonstrated performance, [REDACTED] appears to me to be eminently qualified. While [REDACTED] will not complete a two-year tour on his current assignment until July 1977, I agree he has earned the opportunity to move to the higher graded position and concur in Security's recommendation.

[REDACTED] GS-13, is currently assigned to the DCI Security Staff in a GS-12 position and is seen by Security as their strongest candidate. He appears an excellent choice and his reassignment will allow him to serve in a position commensurate with his grade. I concur in Security's nomination of [REDACTED] and recommend your approval. At the same time I feel that all three officers are fine choices and each could handle the job.
